

If it's great spectacle and scale you're after, our Manchester Suite is one of the largest purpose-built facilities in the North West, with 1300m² of space. It is often used for high-profile events and is ideal for AGMs, conferences, large seminars, exhibitions and banquets. Partitions add real flexibility to the space, allowing you to divide the room into two and allowing you to run complementary activities alongside each other. Five built in bars make entertaining effortless.
