Description

The flagship here at St. James' Park is the Bamburgh Suite - one of the largest single conference and banqueting facilities in the North East.

For larger events the suite cannot fail to impress, being adaptable for events such as gala dinners, conferences, product launches and exhibitions.

Benefiting from state of the art audio visual equipment; vehicular access from our multi-storey car park; a raised stage and permanent dance floor, this suite has the versatility to accommodate a range of events.

The suite can be divided to host smaller events of up to 500 guests.
