

The Magpie Suite

Floor plan : Level 6

Specification

Total Floor Area 580m² (6235sq.ft)

-  - Ceiling Height
-  - Power Point
-  - Television

Description

From Level 6, the Magpie Suite boasts a stunning pitch view. The suite is modern, spacious and benefits from natural daylight. Accommodating up to 270 guests this function room features a bar and lounge area.

The versatile suite is characterised by the two tier component, and lends itself well to every occasion. For example the raised area makes an ideal platform from which to make a presentation, stage entertainment, or to host a wedding ceremony.

Amid the idyllic atmosphere, The Magpie Suite hosts the immensely popular four course Sunday lunch and highly complemented gourmet evenings, celebrating fine wine and food from around the world.
